Use the format

“What?”

What is your case study about?

“How?”

How did you execute the case study?

“Results!”

Results?

Tell Stories

Don't just read
a list of facts
and figures.

Tell
STORIES.
Make it
PERSONAL.

A Brainsnack Presentation is Hard

Think of the **core message**, the **core idea**.
You want the audience to remember. **Focus on that.**

Practice Makes Perfect

You've edited
your slides.
More than
once...

You think your
presentation
fits into 7
minutes?

Practice in
front of your
colleague. Let
them time it.
